Manufactured in strong rigid G.R.P. this beautifully designed canopy is available for any opening between 1500 and 3400. Available in three shades of white, chocolate brown, oak and rosewood. Cuts fitting time to a minimum and can be completed by an installer, eliminating lead work and plaster ceilings etc. No need for specialist contractors to finish the job.

Base Units

fast & easy installation!

Mk. 1 Base Units

Mk 1 Base Units, manufactured from strong rigid glass reinforced plastic, these units are designed for fast and easy installation.

Fully moulded bottom with bracket attached in one piece with a 12mm mahogany plywood window board.

PVC skin can be bonded onto top surface to create a strong window board.

Available in three sizes - 1800 - 2400 - 2800mm.
For use in conjunction with our Bow Bay Canopies.

Mk. 2 Base Units

Mk 2 Base Units, this revolutionary development in GRP closed tool process allows us to make a complete double sided finished base with no seams or joins. The first base unit ever to be made by this new process.

Fully insulated, encapsulated inside for invisible fixing underneath, forms your internal and external sills. Comes complete with separate bracket.

It's never been easier to install a bow window, saving you time and money.

Base Units are available in:

- 3 Shades of White: Standard, Ultra, Deeplas
- Chocolate Brown, Light Oak and Rosewood

adds value to your property
